Automated Cooking

Brandt now offers two additional Cooking capabilities that will automatically compute the appropriate cooking function, duration, and temperature for the food of your choosing. Making cooking easy for a simple supper for one or a group of ten.

Flavor Guide

The Flavour Guide programme provides 12 pre-programmed dishes.

Enter the weight and type of dish, and the oven will automatically determine the cooking method, temperature, dish height, and cooking time.

AUTOCOOK

The AUTOCOOK programme features 12 pre programmed dishes.

This Fully automated program controls all culinary parameters, including temperature, mode, and time. Choose the dish of your choice, place it in the oven in a cool oven, and savour it when it is finished.
